

Black Cats Football Academy: August Report 2026

INTRODUCTION

This report highlights the key operational, competitive, and player development outcomes for Black Cats Football Academy during August 2026. Over the past month, our teams across the Boys, Girls, and Under-15 categories engaged in high-level league fixtures, friendly matches, and national exposure tournaments. Alongside competitive progress and individual achievements—most notably during the Football Kenya Federation National Team Trials—this edition outlines critical administrative updates regarding our athlete scholarship program.

Boys County League

Our development team continued to gain valuable match experience in the County League.

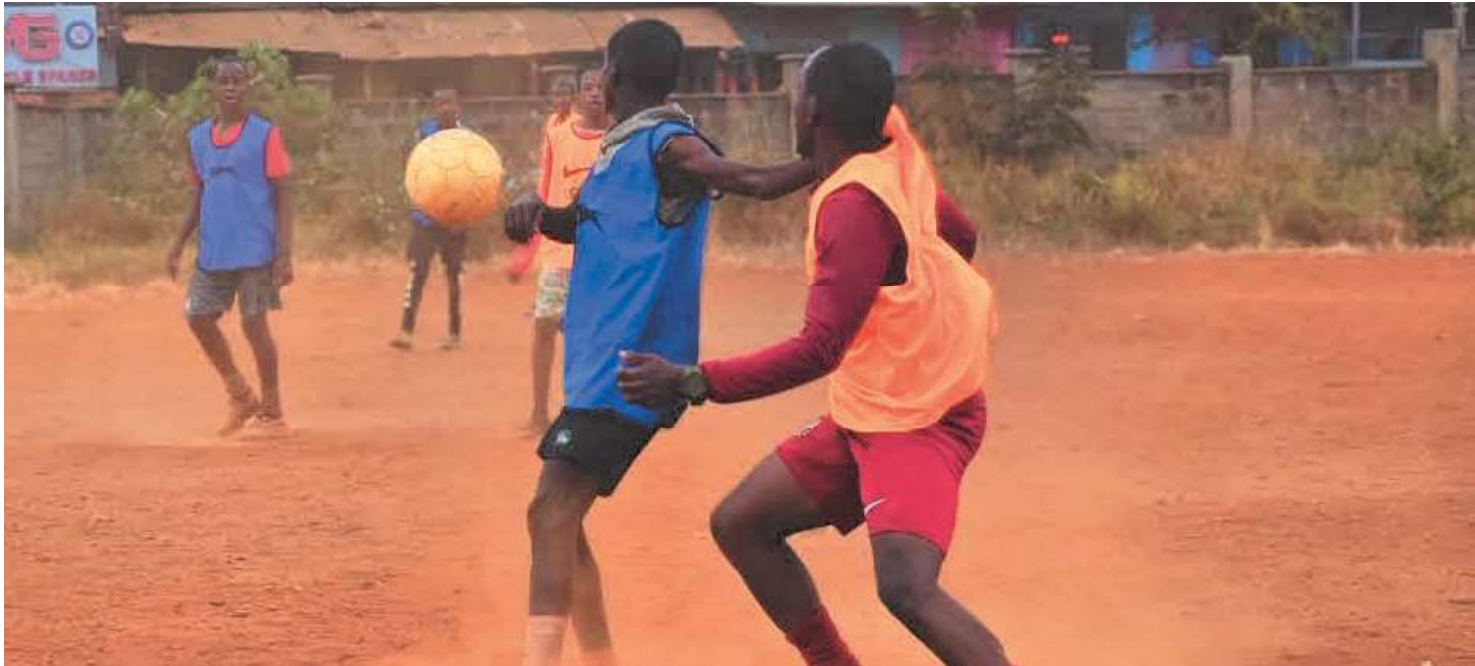

Opponent	Result
Raising Stars	Won 3–2
London	Draw 2–2

Boys Sub-County League

Our development team continued to gain valuable match experience in the Sub-County League.

Opponent	Result
Allamano	Lost 0–3
Jamia	Won 2–0
Jua Kali	Lost 0–1

5. Girls County League Performance

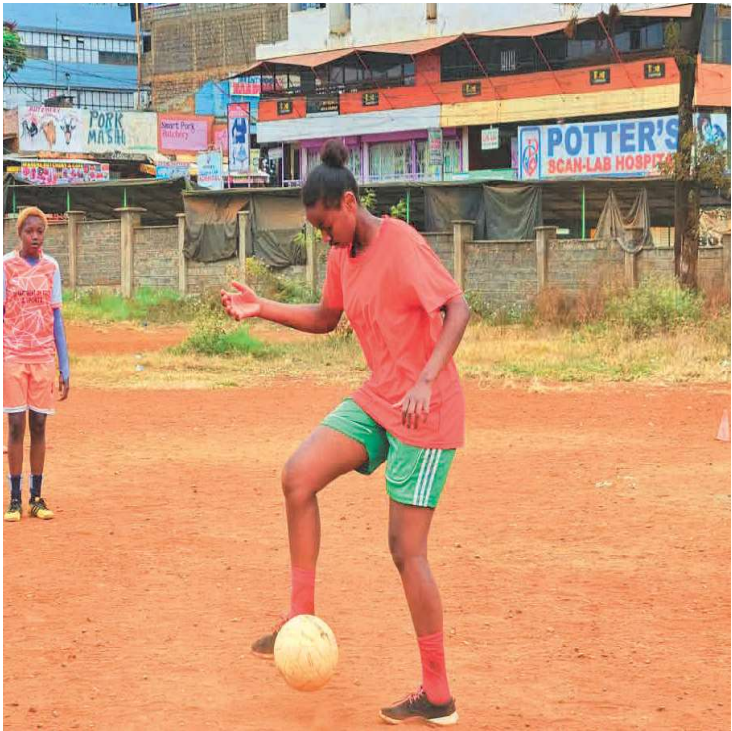

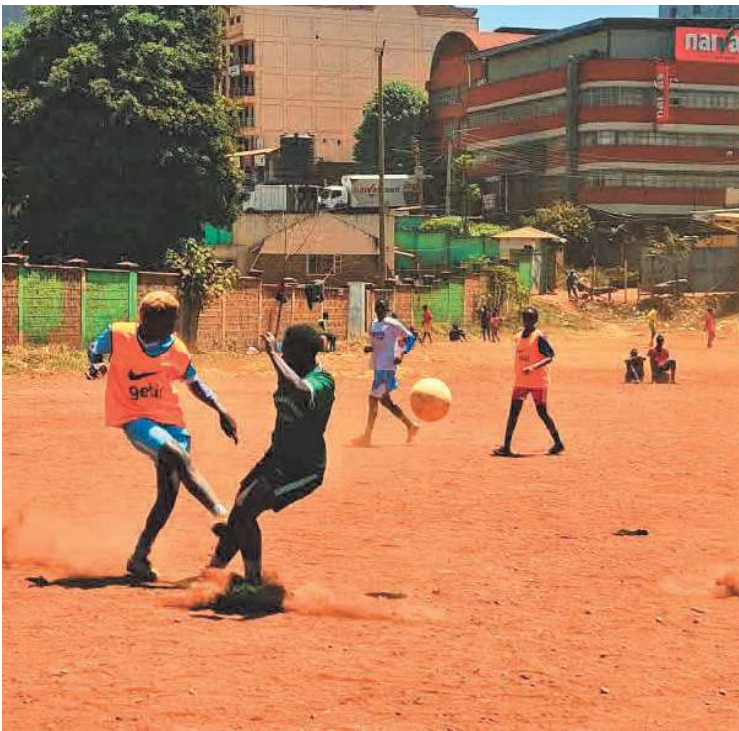

The girls team competed in both the County League and the Ambassador Ladies Cup Tournament in Nairobi, gaining valuable exposure against strong opposition.

Opponent	Result
Gategi	Won 2–0
UOE	Lost 1–2

Ambassador Ladies Cup (Nairobi)

The tournament provided an excellent learning experience and highlighted areas for continued growth and improvement.

Opponent	Result
Huruma Queens	Lost 0–1
Pride Lionesses	Lost 0–2

Under-15 Development

Black Cats participated in the Nginda Ward Under-15 Friendly Matches at Kibugu.

Opponent	Result
Hot 10	Lost 0-1
4 Stars	Won 2-1

These matches offered young players important competitive experience in preparation for future tournaments.

National Team Trials Success

A major highlight of August was the Football Kenya Federation Under-15 National Team Trials.

Players

- 4 boys and 4 girls represented Black Cats.

2 boys and 2 girls advanced from the regional stage to the national level. This achievement reflects the academy's commitment to identifying and developing talented young footballers.

Scholarship Programme Update

Due to financial difficulties facing All Saints School, the ten Black Cats players who were studying under the scholarship programme will be required to relocate to another school.

Conclusion

In August 2026, Black Cats Football Academy demonstrated competitive resilience and elite player development
